A piece of my heart ❤️ is gone the day you left this world, I can't believe your gone, but I will cherish all the memories we made together. You where the best Mom ever, always took care of us and made sure we didn't lack anything. You taught me to be strong and self sufficient, you taught me to fight for those who can't fight for themselves, you taught me to love God n always have Him present in my life, you taught me so many tings, I can't imagine how I will never see you again 😭, but I know 1 day will be together, I rejoice knowing you're up in heaven dancing with our Heavenly Father and that brings me some comfort. I love you Mom and your memory will live in my heart 💜 for ever, till I see you again ❤️
