Richard H. Glazebrook

MAY 20, 1930 - SEP 8, 2022

Richard H. Glazebrook left us on September 8, 2022. He was able to be in his home until May. Dick had a huge heart for the less fortunate, and most of all for his own children. He was a strong protector and a wonderful father and husband.

Dick was born in East Orange, NJ. His father was a traveling salesman. They soon settled Rock Island, IL. He met Marian while managing a Standard Oil station in Silvis, IL. He came to her home to fix her car tire. Marian could not afford to pay for the new tire. In the following days she took her weekly payment of 50 cents to him. It was their beginning of 54 years of marriage. All because of a flat tire! He found the love of his life and had his prayer answered to find a true soulmate.

His father had PTSD from his military service. He took his life when Dick was 3-years old. He learned to work hard at a young age to help support his mother and brothers. With only a 9th grade education he became a successful entrepreneur. As a young boy he fell and hurt himself. He was going home and then realized there was no one there to help him. (His mother worked and his father was gone). He often referred to this time in his life when he became aware of a Heavenly Father that saw him.

Dick was an army airborne combat veteran of the Korean War and had many medals. He often told of what it was like to jump out of an airplane and land in enemy territory. He trained as a medic in the field and had many hard experiences.

In 1970, he made his choice to yield his life to God in a gospel meeting in Davenport Iowa. He stood to his feet to make it known and then our Mom stood, followed by Vicki, then Dan, then Kathy. Uncomplicated love. And still is.

Living children left to cherish his memory are: Lynda Mackin, Vicki (Norman) Bailey, Daniel Glazebrook, Kathy Glazebrook. Grandchildren Kelly (Stan) Turner, great grandchildren Jack &

Dick Glazebrook was a kind and helpful man. He taught me a lot when I lived in Florida! He taught me how to work on my new home and fix things. He treated me like a son. He always invited me to his home and dinners with other friends! I will never forget his generosity! He also taught me that the Bible is a living book and that God's word is revealed! I loved that and always am reminded as I have read over the years what he said! He will forever be in my heart!

There are hardly words that can express my thoughts and care for all of you as you face the loss of your Dear Dad... He meant everything to your family and all of you have meant so very much to me showing me this Way... Helping me see and feel the joy of serving the living Father in heaven... It means everything to me and forever you'll all be a part of that little beginning... Love and care Jane

I remember Dick's big open heart that along with his wife, Marian, welcomed us into his home in 1979. Such a loving welcome along with a quick wit and smile to put us at ease and let us know it was our home, too. It was a very safe and relaxed environment because of Dick's in-charge and so ready to help attitude. His care for others was evident every day we were there. He knew how to serve, and in his service to others, he was tried and true. I was lucky to know Dick and Marian. They always went beyond the call of duty, and I'm so fortunate to know their daughters, Vicki and Kathy. In them, I see the same traits of love and loyalty. I also want to offer sincere sympathy to Linda and Dan. Hope the four of you know I carry a soft spot in my heart for you always... With love, Cheryl F
