I was so very blessed to be married to this wonderful man! We married when I was almost 23 and he was 25 and we learned together how to have a great life! He taught me so much from how to drive a boat and how to snow ski and drive snowmobiles! And who would have thought that we would drive a huge U-Haul truck to Florida when I was 70 and he was 73! We had wonderful adventures together and our children still appreciate all we had together as a family! Even our grandchildren remember all the fun times of boating in the canal and learning how to drive a boat at a very young age! He was the most patient man in the world and he tried to pass that on to all of us! How lucky we all were to have him in our lives!!! He is greatly missed! 😭😭❤️❤️

Uncle Hank has a beautiful heart and soul and will be so missed! I have the greatest memories of him from growing up in Michigan. Staci was my sister cousin! The Turowski house during the summers, on the boat and lake were dreamy, it was the best family summer fun time. Water skiing and swimming and he even took us once to Cedar Point on the boat! Uncle Hank inspired my own want for a boat and lake house. We did all the family holidays together. My favorite was always Christmas and Hank and would put up the tallest tree ever at their house (which I loved because it was so modern and different). That lower family room and wrap around couch and cool u shape set up will forever be etched in my mind!! The family Christmas Eve memories with Hank and our all the relatives and Santa Clause and presents galore will live in my heart forever. He was always so kind and generous and wanted everyone to have fun. I missed him when they moved away to Florida but I'm so grateful I got to see him a few years ago when I visited. Even though he wasn't feeling that great physically, he was still so kind and interested and inquisitive about my life and work and family. I love you Uncle Hank. May you fly with all the angels and Jesus and our family of angels. I hope my Mom and Dad greeted you up there with open arms and your having a party filled with eternal peace and joy. Until we meet again, know you made a beautiful life and family that will carry on your legacy....thank you for everything. ❤️

September 24th was my grandpas heaven day. He was such a supportive, kind, loving most thoughtful person I knew. He meant the world to me, my family, and to everyone who knew him! He was so special! He taught us how to love, to be thankful for what we had, and to mostly have patience with everything that stood in our way. Heaven has definitely gained another angel that will watch out for me and my family! May you Rest In Peace my dear grandpa. We all love you! 😊😊❤️
