**N**orm was born August 4, 1935 in Amityville, New York. He slipped away peacefully on December 14, 2022 at Lee Memorial Hospital in Fort Myers.

He was the son of the late John Wesley Moseman and Lillian Ann McKee Moseman. Norm's careers have spanned working in the car racing industry, the Hicksville Fire Department and Northrop Grumman. He was very proud of his time with the Fire Department and had many fond memories of that time.

Norm and June also loved traveling across the country in their RV. They had many wonderful summers of exploring the US Northeast.

I am going to miss my friend Norm and our driveway talks. The neighborhood just won't be the same without him. Prayers are with you June.

When a person of Norm's stature comes into your life, one is blessed. Having known Norm for several years thru the Cool Cruisers we shared a weekly phone call just to catch up especially when I was in Tennessee. Such a shock not to be able to talk to him and say goodbye one last time. I'm sure God has another perfectly chromed engine in a Choo Choo El Camino for you to drive around in Heaven! Peace to you my Brother. Keith Glover
