I will never eat a klondike bar without thinking of her and smiling. She looked both healthy and happy when we last saw her. May she rest in peace . May the whole family remember the great time everyone had together just a week before she left you. ❤️

I'll miss you always Gramoo. I looked up to how strong, caring, and loving you've always been. You are an inspiration. Hard worker, home maker, with a calm soul. An amazing cook, green thumb gardener and way too good at monopolpoly. I wish I could give you one more hug and phone call. Laguna wants you to know he misses you dearly. You were his person! I love you gram, thanks for everything. Love, Alyssa
