Susan Anne "Gus" Warren

AUG 13, 1952 - MAR 8, 2023

It is with a very heavy heart that we inform you of the passing of Anne (Susan) Warren aka "Gus". A Nickname her dad gave her as she was born in August and was a true Leo through and through. She loved to give and was fierce about the people she loved.

Gus is survived by her soul mate and husband, Gord; two daughters, Katelyn (Jon) and Morgan (Chuck); two grandchildren, Kennedy (her best girl) and Kingston (her chunkamunk); honorary grandchild, Ryleigh; her two sisters, Jane and Barb (Barry); as well as her nieces and nephew. Her grandchildren were her entire world and she loved all children. This was evident in her career where she supported children with special needs.

Her parents Audrey (Bing) and Robert predeceased her but blessed our entire family with the island on Jack Lake. The island was her own piece of paradise. She spent every second of every summer there and made many lifelong friends. Her favorite winter place was The Springs in Fort Myers where she made many wonderful friends who supported us all through this difficult time.

She will be dearly missed. Her sense of humor and contagious laugh will remain with us forever. She was one of a kind and we all feel so lucky to have had her in our lives.

We would like to thank and acknowledge the excellent care provided to Gus by the staff at Gulf Coast Medical Center and Hope Hospice.

Feel that breeze!

Losing Gus was one of the saddest days of our lives!! She was such a special person and we couldn't have chosen a more perfect mother-in-law for our son Jon! We really love her so much and will miss her at our birthday parties and family dinners in Florida, and back home!!She was blessed with so many gifts... Her hospitality was never ending! Gus was always making food for showers or parties on the island at Jack Lake, or for friends at the Springs or just to help out her family because she loved her "people" so much and we loved her back!!!You always knew that you would have a good time if Gus was there because she was so warm and fun loving and that was really evident when she was with her grandkids, Kennedy and Kingston!! She absolutely adored them, and was an amazing grandma!!There won't be a day that goes by without us thinking about her and missing her!!!Our thoughts and prayers go out to Gord, Katelyn, Jonathan, Morgan, Chuck, Kennedy and Kingston and everyone in the family!!Love,Momo and Diddy❤️❤️

Tim and I have been Gus and Gord's neighbors at the cottage for a decade and we simply adored her. It will not feel the same to turn my lights every night without hearing her throaty laugh as it wafted over the lake as I drifted off to sleep. I guess I'll only hear it in my dreams now....We love you, Gus.Love. Always.Laura, Tim, Benoit and Xenia

Dear Warren family, on behalf of the Stinson family (John, Miju, Rachelle, Dani, Melissa), we offer our sincerest condolences. This is heart-breaking news. Gus was such a warm-hearted, cheerful, and giving person. We especially remember her wonderful sense of humour and caring nature. The Warrens were our favourite neighbours back in our Kennedy street days (we remember our annual Halloweens at your house!), and Gus was a huge part of that. I (Rachelle), am also so grateful for the dedicated care and friendship she provided at Highview while I was a student there. Sending hugs to you all, and wishing you all many, many years of comforting memories.

Gord, Katelyn, Morgan, and family, I am so sorry to hear about the passing of Gus. The obituary clearly expressed how everyone felt about her! She was so full of kindness, love, and she definitely had a wicked sense of humour! I was so lucky to work along side her in the classroom and watch her in action as she loved on her special little ones. Every day, no matter how hard or sad, was filled with opportunities to laugh until we cried. Gus also made sure everyone was well fed, freely sharing food and recipes. Her love for "our kids" at school was surpassed only by her love for her family. Gord, she adored you. Katelyn and Morgan, you know how much you were loved. Our world was a better place because Gus was in it. My condolences to everyone. Fondly, Kim Mako
