Shelly was a very special person. There will be a large void in our life. Her caring way of helping anyone that needed help regardless of what it was. The joy she showed in the love she had for her grandchildren and the beautiful memories they now have of her. Family was important to her and she made sure that all family and friends new she loved them. Bryan and Shelly had a beautiful bond that grew stronger with each year. The love and wonderful experiences they shared for 20 years will never be forgotten. I love you and you will always be in my heart. Laurel
