Mary and family I am so very sorry for your loss. Cal was a fun loving man who had his interest in life, like travel, golf, games, and of course Mary. He went through his life at his pace and with a fun spirit. Seeing him, I always expected to see his side kick Mary. I knew it was just him on the golf course. He was an interesting man with a sense of humor. He will be greatly missed and fondly remembered. Please accept my deepest condolences. ❤️ MaryAnn Tamburini

Traveling with Cal and Mary in Hawaii, California, Rhode Island was fun and adventurous. Marian and Cal enjoyed sharing cooking duties at the SeaWatch condo. Bob and Cal had many rounds of golf, in and out of bunker's, together. Cal knew when it was Marian's turn to cook dinner it would be after the sunset. Cal said, "When you've seen 1 sunset you have seen them all." We will miss his friendship and humor. Our deepest sympathy and love

I always found it very easy working with and around Calvin he could always gave me something to think about that was humorous to me. He didn't have a problem telling people what was on his mind and I liked that in him. My wife and I enjoyed the few times we had spent with Calvin and Mary at the Union dinners, great memories. We never stopped worrying about him and Mary living in Fort Mayer's especially this past few years with the hurricanes. We will miss him, his smile, his sometimes strange sense of humor, it was al good. Thank's for the memories Cal. Ken and Holly Becker

Sandy and I always enjoyed our visits to brigantine and the campground to spend time with Mary and Cal. And our many trips with Cal and Mary to Atlantic City. Also enjoyed having Cal as a guest for many weeks when he had a job in the Cleveland area. Cal was one of a kind-someone you always want to remember. God Bless. Sandy/Joe

I like a lot of my Shriner friends but there are some that I love for various reasons. Val was one of those loves. He was funny and sweet and every bit of a gentleman. He also gave great hugs. He loved Mary and everyone knew that. That is such a wonderful traitFor a man to have. I am goingTo miss him much. I know he will be a wonderful asset in heaven

Cal was one of the sweetest men I've ever met. We had such a good time traveling on a cruise a few years ago at Christmas time. Cal had a different holiday outfit including hats. He won a prize for the ugly sweater contest on the ship. We had so many fun times with Cal and his wife Mary. He loved Jesus and we had many discussions about heaven. Enjoy heaven my friend.

My favorite memory is when I put the Kentucky Derby on at the campground the first time and we just said who we liked and Cal said I'm rooting for Calvin Burrell. Cause I like his name. And he won and Cal was so excited. Had a lot of fun at the campground. So sorry for your loss ❤️
