R. Bosten lit a candle in honor of Elizabeth.

I wish I had the chance to have gotten to know her! She sounds like such a beautiful woman. I am her twin brothers daughter, and unfortunately, I never got to know anyone from that side of my family. From everything I have heard, she sounded amazing, but I never had the guts to see if they would welcome me. I think I only met her once unfortunately. Wishing I would have taken the chance to know her
