We will miss our dear cousin, Renato. Renato was loving, kind, generous, loyal and proud. He took right after the very parents that raised him. Renato set the best example for his children. Renato loved and cherished his wife. Renato practiced a perfect Faith without even knowing; our Father asked that we love and give. Renato did just that. We love you, Cousin. Until we meet again, God bless you and all our loved ones. Bob and Mary (Vallance)

A great man, a lovely and helpful neighbor and good friend has embarked on his final journey. We will miss him. Above all, we will miss the wonderful hours by the pool talking about the world and current political developments. His knowledge and experiences were great and very interesting for us. The small shared beer or scotch always made for relaxed cheerfulness. Bon voyage and Thank You Renato. Uta & Manfred

Renato, I knew you for such a short time. But I think you knew how much I respected you, as I respect my mother and my father who were your neighbors and friends. I saw in you what it means to be a man who is at peace with who he is, and what he's contributed to his family and his country. The last time I saw you you shared sentiments of your life that affected my mind and heart and I will think about forever. And I thank you for that, it was a gift. You will be missed, sir. - David

I'll never forget the time we all went down to Disney world and we got a flat tire on the way and we had to all work together to change the tire, or the countless times we were up at the house in Billerica splitting wood when we were kids. I remember many many times we would be swimming in the pool for a holiday or gathering and uncle was always manning the grill like a master chef. He will be missed..
