A great soul serves everyone all the time. A great soul never dies. It brings us together again and again. I love you to the moon and back. How lucky am I to have had a father so special that I miss this much? As much as I hate not having you around, but I'm happy to know you're at peace, no longer in pain You may not be with me any more, but my love for you will never die. Now you've been upgraded from your previous roles to being Our Guardian Angel 🙏

He will be missed by my husband and I forever. He was an excellent adviser, an understanding person who was ready to help. That his soul rests in peace.

Death is not a door that closes but rather a door that opens onto a multitude of things, we have lost one of our own. Uncle Magre was also a father, an adviser, a close friend; may God be with you on this eternal journey!

Un padre inigualable. Una persona extraordinaria. Perdimos un pilar en la familia. Nos ha dejado mucha enseñanza, un ejemplo a seguir. Habrá palabras suficientes para hablar de él, para hablar de esta pérdida? Te extrañaremos! Descanse en paz!

Peace to a great man of God, grand father, father, brother, uncle, cousin and friend to so many of us. Your passing is just a variable in the equation of life as we all have to get through it one way or another by process of elimination. It is your turn today and tomorrow might be one of us. May peace be with you my brother and personal counselor.
