Frank Thomas Romano

FEB 22, 1936 - AUG 17, 2023

Frank was born and raised in Utica, NY, graduating from Proctor High School in 1954. He earned a degree in Mechanical Engineering from Clarkson University in Potsdam, NY. He worked at GE and was called into active duty in the Army at Fort Gordon in Augusta, GA in the early 1960's. His employment with GE and Hitchiner Manufacturing took he and his family to Saugus, MA., Wayne, NJ., St. Charles, MO, and Nashua, NH. In 1977, he went into business with a former Hitchiner colleague at Tallix, Inc. in Peekskill, NY. They worked with artists from all over the world (many from the greater NYC. area) casting bronze statues using the lost wax process. During his time in NY, he also studied accounting at Pace University and later began tax and accounting business in Fort Myers, FL. He worked at this business from 1985 through 2020, and developed great working relationships and friendships with his clients. He was also very active in the Cape Coral Rotary Club and treasured his time with the people there.

Frank was predeceased by his mother, Antoinette Peters Romano, who died in 1983 and his father, Thomas A. Romano, who died in 1996. He is survived by his spouse, Regina E Romano, having been married almost 62 years. He is also survived by his sister, Marie (Dick) Trinco, of New Hartford, NY and her sons (Michael, Daniel and Thomas Dreimiller) and their families; his daughters, Elaine LaFata of St. Charles, MO. and Judy A. Romano of Fort Myers, FL; his granddaughter, Stacy (Austin) Hess of St. Charles, MO, and his great granddaughters, Callie Marie Hess and Kate Alee Hess.

Besides being a great husband, brother, father and grandfather, he was a loyal sports fan and had season tickets to the Florida Everblades for many years. He will always be loved and missed by his family.

A celebration of his life will be planned at a later date.

My deepest condolences to the Romano family. Frank was one of my first acquaintances when we moved down to South West Florida 30 years ago. Through Frank I got to meet Regina and Judy. He was kind, sincere, and a soft spoken true friend and he will be missed. Rest in peace my friend and God bless your soul.

I am so sorry Judy, this is such a heavy loss for you. Your Dad was always the first with a kind word and he lived a life of service and kindness toward everyone he met. He was so good to my Craig's family throughout their lives; and they held him in their hearts with respect and great trust. He was so remarkable in so many things; as an artist, an accountant, a community leader and especially as a devoted family man. I send my prayers and sympathy to Judy and all of her family, in the loss of this remarkable man.

So sorry to hear of Uncle Frank's passing. So glad we were able to see him in the past few years on our trips to Florida. Many fond memories we will cherish forever, holidays when we were little, road trips to Saugus and Peekskill. Uncle Frank letting us take the train to NYC alone. We love you. RIP. Mike & Anita.

Mr. Romano was a great man whom I greatly admired, respected and loved. He made me feel as if I was part of the family and welcomed me with open arms. We both shared a love for hockey and I remembered talking about it quite often. I will sorely miss him.
