Bonnie Burns posted:

Ron was a deeply spiritual man with a powerful creative spirit. He had a deep love of nature, music, art and saw all things as connected. Ron believed we all have a higher purpose and he expressed his thru his photography, writing and drawings. He always remained positive, even when enduring great suffering. Ron's generosity of spirit is a reminder to all who knew him to live life to the fullest and always with gratitude. I was blessed to call him my friend and he will be deeply missed and always remembered. May his soul be at peace as his spirit flies!
