I will never forget the countless times spent playing as a child at your home, the amazing food you cooked, the sliding with water and soap on the carport garage in the summers, the cookouts, laughter and family fun times. I didn't tell you as often as I should have but I loved you Tia Lucy you were essentially the only Tia we grew up with. Rest in Peace you will be missed but never forgotten.... My heartbreaks for the family my deep condolences to all my cousins, and their family. I love you and praying for you all...
