When Erin introduced Dave we were instantly family. His humor is unmatched. He's such a kind, creative, fun soul. There are no words to help heal your heart or ease any of the pain and grief that you all are feeling. Please know that that we are thinking of you and wishing we could ease some of that. My heart is crushed to know he isn't there for you. I love you and if I can do anything, I'm here.

My son Ray and Ryan have been best friends since kindergarten. We have known David through the years from sleep overs to soccer games and events as our kids grew older . He will be missed by many. Our thoughts and prayers are with the family.

Dave was so much more to me than a son-in-law. He brought his love, kindness, and wonderful sense of humor to our family. I will treasure our many memories together. In my heart he will always be "my son".
