Dear Dawn and Family of Don Disbrow, Please accept my deepest condolences on the loss of the family's Patriarch. Speaking from experience, losing a parent is difficult. Enjoy the good memories you have of times you've spent with your Dad. I know there will be special moments that occur that will remind you of him and cause you to smile. I wish you strength in this difficult time. I respect his service to our country in the U.S. Army as a Paratrooper during the Korean War. It certainly demonstrates a hero like quality he had in his early life and more recently. I suspect he fought the good fight for the opportunity to live longer to enjoy his time with you. Take some comfort in knowing that he no longer suffers and has been reunited with your Mom.

We loved Dons rare sense of humor and his love for his family especially Sharon. What an honor to know him. He was always a gentleman and fun to be around at the many events we all shared. Our sympathy to the family.

Don was a very good friend and Brother. I've never know a man who loved his wife more than Don loved Sharon. Every time I hear the "Q" toast, I wait for his retort!
