Angel had the perfect name! He was a guardian angel to so many people specially his family. I met my brother for the first time in 2021 and it felt like I knew him forever! Every time I visited Florida, I would go see him and he always had a smile on his face. I will always remember all the memories and thank him for being a guardian angel to my sisters! May you rest in peace Angelito! 🙏🙏❤️ Your little sister Teresa
