To Robin, Leslie, and Nicki, You may not remember me but I babysat you and lived on Odessa with you and your paterents in your early childhood. I saw your mother's obit on Ancestry.com today. I want you to know how sorry I am. She was such an inspiration and mentor to me. I worked for your father both in his Odessa office and Springfield, Ohio. My parents lived next door to you in Meadow Lanes in Springfield. Carol will always be lovingly remembered by me. God bless your family.
