I miss you. We bumped heads so much towards the end but I am so thankful for you being in my life and always being there for me as a child and well into my adult life. You were my hero as a child and I just could never say thank you enough. I'm happy you, your wife and my beautiful mother can now be together in whatever afterlife you 3 share.

Hey Papaw! We miss you down here. It's so weird coming home and not seeing you come out the room and say good evening. We love you. Thank you for always looking out for me. Especially with the baby. You were always helpful! Rest peacefully
