We lived at Beachcomber Condos when Lesley was the property manager. After Charlie hit, we felt she really went the extra mile. She got the building covered with tarps, cleaned our refrigerators, and purchased necessary items. All with a smile on her face! We feel fortunate that we knew her and appreciate all she did for us. So grateful you were a part of my life. A big part. A second mom. You were the most influential female that molded me into whom I am to this very day. You gave me confidence, self esteem, love, guidance, friendship and most of all you gave me YOU throughout my life. I am forever grateful and a better person because of you. I will love, cherish and never forget you. Your memory will be carried in my heart, always.

We are blessed with meeting few people in life that have beautiful hearts and kindness. Leslie was one those. I remember meeting her way back in the 80's and she got in my heart then. She loved her daughter Kathy so much and that was her priority. She had a smile that lit up the room and a whatever will be attitude and it will all work out. Sweet Dreams Beautiful lady. I know that your last thought was I don't want to leave my Kathy. Death did not scare her, hurting her daughter did. My prayers are with you and I'll see you in the other side. For now sweet dreams!~
