Phillip Michael Cuti, born on April 25, 1941 in Muskegon, MI, to Michael Phillip and Carmella (Chiodo) Cuti, passed away on June 11, 2024. He was married to Constance Ann (Grimmer) Cuti from 1964 until her passing in December 1998. Phillip is survived by his daughters Kristina Casterioto (David) and Teresa Arroyo, as well as his sisters Donna Goryl (Bill), Elizabeth Cuti Sohasky, and Suzanne Deck (Larry). He also had two brothers-in-law: Art and Walt Grimmer. Among his stepchildren were Janice Thies, Dyana Jones (Stephen), and John Thies. Phillip had grandchildren named Amanda, Phillip, Giovanni, Sergio, Ceceilia, and Mattia, along with step-grandchildren Jeremy, Steven, and Kayleigh. Additionally, he had five great-grandchildren and numerous cousins, nieces, and nephews. Sadly, he was predeceased by his son Michael Cuti and stepson Steven Thies.

Phil was an active 32nd Mason, participating in Shriners parades during his younger years. He enjoyed playing tennis, swimming, riding bikes, exercising, and spending time with family and friends. His journey began as a door-to-door salesman, selling pots and pans. Later, he became an inventor, successfully marketing several products. As an insurance salesman, he raised his family. Phil's passion for painting led to the sale of many of his artworks. His charismatic personality endeared him to many, and he lived life on his terms, cherishing every moment. While he will be missed on Earth, his memory will be cherished in heaven

I loved seeing Phil at the Nauti Parrot Dock Bar where I first met him and then at other live music venues. He became friends with a group of us and we were always happy when he arrived. He would dance sometimes and loved chatting. I was happy to be invited to his home to see his art work and his hand made ukuleles. Also was pleasantly surprised to be invited to his 80th birthday party. I also got to see him occasionally at Health Park Medical Center where he volunteered. I was so sorry to hear of his passing, he was a special person ❤️ and will be missed

Phil took a photo at Bonita Bills club when I played there. He did a painting of the photo and incorporated himself into the painting as the guitarist. It now hanging over my TV in my bedroom. A treasure I see several times a day.

I'm so sorry to hear of Phil's passing. He took me for a ride on his bike and we stopped for a pop. When he couldn't find a can opener he opened it with his teeth! Something I will never forget. RIP, Phil. Classmate, Pat Gruszecki Mars
