Phillip Damion Ciccarello

JUN 8, 1973 - JUN 21, 2024

Phil's departure leaves a void in the lives of his beloved wife, Laura Bristoll, and their three daughters, Lillian Ciccarello, Grace (Jacob), and Hannah (Jade) Anderson. He is also survived by his mother Carol Tanner (Jef); his sister Tara Burley (Jeff); his father Nick Ciccarello (Suzie); and brothers Michael (Renee) and David (Katy) Ciccarello; great-aunt Jean Davis; and many nieces, nephews, aunts, uncles, and cousins.

Phil was born on June 8, 1973, in Miami, FL. He moved to Ft Myers for middle and high school, then to Tallahassee to further his education. He graduated from Florida State University in the year 1996 with his Bachelor's degree. Phillip will always remain a Seminole fan. He returned to Ft Myers for some time, where he met Laura and embarked on the journey of becoming a loving spouse and father. They began creating a life together, which led them to build their forever home in Alva, Florida. Together in this home, some of the most incredible memories of Phil's life were made and will live on forever.

Phil was employed by Wayne Automatic as a salesman and life safety specialist. His hobbies included fishing, hunting, and watching sports. What was most important to Phil was watching each of his daughters succeed in the sports they loved growing up alongside his true love, Laura. Phil was a devoted father, son, brother, and loving husband with a giant heart. His love for everyone he encountered was infectious. Phil's comforting aura touched every person around him. There will never be enough words to describe how we feel about the loss of such an amazing man.

Fort Myers Memorial Gardens Funeral Home has been entrusted with his arrangements. The celebration of Phil's life will be planned for a later date.

Laura Bristoll(Wife) posted:

The love we shared was some what shy of perfect . We felt each other's love so deeply everyday . Our daughters were his life and everything Phil did he considered them and myself first . He was a true friend to all and learned that every person that came into his life served a purpose in some fashion. He will be dearly missed and a void will be present in our lives forever. Friends and family please know Phil loved each and everyone of you just as much . May he rest in eternal peace in our Lord and Saviors loving arms . 11:11 love you forever & always , Your Daisey (Laura)
