I remember the time I spoke with Uncle Lawrence on the phone on a Father's Day. It was a 2 hour conversation with him about my Mother and their childhood together. He told me some pretty interesting stories, so I want to remember that good conversation we had, he was a wonderful person, my condolences to Earnestine and family, love and hugs to you. I'll never forget the moment my Mom, Dolly Williams got to see Uncle Lawrence in the summer of 2023. It was the first time they had seen each other in almost 40 years. In these pictures they are singing a song they sang as kids called "We Are the Saunders Family"! Even in his condition he had enough spunk to try singing with his sister! Now he's in heaven singing with his other siblings! To the family we love you all and are praying for strength! May God lift you up and carry you through the next few days, months and years!
