# Stanley "Rob" Brylinski Jr

JUN 17, 1961 - JUL 7, 2024

**S**tanley "Rob" Brylinski Jr., a beloved resident of Fort Myers, Florida, passed away on July 7, 2024, at the age of 63. Born on June 17, 1961, in Wilmington, Delaware, Rob was the cherished son of Stanley and Margaret Brylinski.

Rob's love for the water began on Long Beach Island as a child, but his hunger for sun and fun brought him to Florida three decades ago. His passion led him to establish "Rob & Sons Marine," a thriving business where he meticulously worked on yachts with his son Neil. His skilled hands and unwavering commitment to craftsmanship left an indelible mark on the boating community. Adding to his love for the water, Rob enjoyed a good tackle with any fish that would snag his line. He bonded closely with his son's on the water, competing to see who can catch the most unique and biggest fish! In addition, Rob loved strengthening his friendships and his son Neil with hunting trips and adventure.

Beyond the waves, Rob found solace on two wheels. Whether cruising along scenic highways or exploring hidden trails, his Harley was his faithful companion. The wind in his hair and the open road ahead—these were the moments that fueled his spirit. But it wasn't just the roar of engines that captivated Rob. Paddleboarding became his meditation—a way to glide across serene waters, connecting with nature. He reveled in the stillness, finding peace in the gentle rhythm of each stroke.

Rob leaves behind a legacy of passion, adventure, and unwavering love for the water, his family and friends.

He is preceded in passing by his father Stanley Robert Brylinski, Sr.

Rob leaves his loving memory with his survivors, mother Margaret of St Johns, FL, sons Neil of Fort Myers, FL and Kyle of Portland, OR, sisters Susan (Tim) of St Johns, FL and Nancy of Hillsborough, NJ, girlfriend and caregiver Leilaini of Fort Myers, FL and lifelong best friend, Billy, of Daytona Beach ,FL and many beloved nieces, nephews, cousins, and friends.

Childhood best friends from the get go. We were at each others side throughout the years. We both had a desire for adventure which led us in a variety of scenarios some of which I have already shared with friends and family. There are however many more stories of our escapades together... Truly they are too numerous to convey but take my word, Robbie was a willing and able participant. From our adolescence... to becoming husbands (some more than others) LoL, although I wasn't to far behind. We supported each other no matter what... no judgment...unconditionally! It was and still is a remarkable friendship that we will bring to the next chapter as we will meet again.I mentioned Fatherhood... This is a must say but not sure how to.I admired his resolve when it came to teaching his boys by example.There was no wavering their was no compromise there was no negotiations.Do the right thing...no matter what, no matter the consequences, stand tall and except responsibility... Let me tell you... it worked!Robbies boys Niel & Kyle are the best reflection of Robbie best work on this earth, Bar none... Exceptional young men! Robbie was also fortunate to have another best friend. Imagine that two in one life time. Dougie. He passed a little over ten years ago but we always acknowledge him whenever we got together.As for his final years with a remarkable women Leilaini... Thank God for her!True blue as the day is long. A good egg! May your pain subside and your memories resonate. All my love to all!... I will miss him dearly my buddy Rob!Billy
