From St. Joseph yearbook The Hawk, 1952: Class Prophecy- "And now Carl Schmidt is bashfully making his way up to our camera. Carl always was shy and his face could turn glorious shades of red when a girl so much as looked at him. Carl is now President of the Country Club where he spent so much of his time while in High School at St. Joes. 'How About That?'" Class Will- "I, Carl Schmidt, will my masterful ability to handle women to Bernard Neubel."
