Teresa, you were always kind to me and treated me like a second son. I value my memories of you and your contribution to creating a wonderful son in Brian. He is one of the wisest people I know, always willing to give the truth to a situation and your part in raising him allows you to live on through him. I remember your life back in the Provincetown days and later, a more affluent lifestyle blessed your existence and yet you and Brian always remained humble. I always admired that about you. Many a weekend I spent at your home with Brian and friends and you always made us feel welcome and at home. You will be missed.

It's hard to believe that we first met nearly five decades ago. We first became friends, than family and although life changes took us in different directions, our paths never completely ceased to cross throughout the years. Until it's time for us to meet again, rest easy. Love you, Your friend-Your sister Sheri B. P.S. Please, do your best to not be late. Haha

Oh T!! I had heard that you were having some health issues but I didn't know it was this serious! I am so shocked and sad about your passing! Thanks for all the good memories. I played your Christmas parties five years in a row and you hired me for multiple funerals, including for your ex-husband, which was maybe a year ago, I wanna say! Wow 😊 Love you lady, you've always been so kind and generous and you are missed. Rest in peace my friend.

Teresa was a very good friend of mine. I am shocked to hear she passed. Teresa helped me get through the death of my mother and once again with the loss of my dad who she knew very well. She had a beautiful heart and was always there for me. She loved her crazy spooky Halloween movies which we watched together while eating pizza. She was fun. She was my good friend and I will miss her very much. Rest well Teresa Lynn. Love , Jeanne Maricle
