Please accept our heartfelt condolences on Lydia's passing. She was one of a kind - a person of character and integrity with a sense of loyalty and compassion along with a healthy dose of a sense of humor and playfulness. One of my favorite memories was interviewing her for a job in our law office. My gut feeling at that time was that I would never regret hiring her. Almost thirty years after that, I was more sure than ever. To Charlie and Lisa and all of her extended family, may the wonderful memories of Lydia's and your life together be a source of strength and sustain you during this difficult time. With love, Roberta Kushner
