Best grandmother ever. Loving, caring woman I've known. She has her wings and now in heaven playing cards with her sisters and having a drink with her son and my grandpa. RIP grandma. You are pain free so go play.

We had some good times together when I came home to visit. My last visit this past May we couldn't do much but sit and visit. I have my last photo with her and my sister Danise at her nursing home. I love ❤️ and miss you so much. Deb Ann

My aunt and God Mother. When I was kid we would go to the Fisher Building in Detroit to visit Aunt Charlotte. She was an elevator operator, so we went up and down while we visited.
