Mary Lou was one of the most generous, kind and loyal person that I have ever known. Her generosity knew no bounds and now she is heaven enjoying her reward in the presence of Jesus our Lord and Savior. Mary Lou was one of a kind and such a wonderful, loving, caring friend through thick and thin. I will always be challenged by her giving heart. frank helmerich & family Sept 27, 2024

Mary Lou and I were in the same Sunday school class after my husband and I became active members of McGregor Baptist Church. We were good friends but during my time at Calusa Retirement Center our friendship became "best friends forever"! We did everything together there and shared a lot of our thoughts and prayers! She was an inspiration to me and it was wonderful. Before I was in Calusa she called me for my opinion of bit coins and I told her I thought they were not all they are told to be and I would never buy them, and she agreed with me. Later when they had zoomed in value she called and told me she would have a lot more money if she had not listened to my advise and after that she teased me about what she would have if she had not listened to me! We had fun with it when they were so much controversy! Actually we had a good time together always and I will miss her! The good news is I know where to find her again and could be any time soon! God is so good!
