Hugh knew how to get me smiling. He is surely missed and in honor of him I drink his favorite bottle of rum on this day. I know I'm 3 days late my friend but I'm sure you don't mind. Me and Aubrey miss you and the memories of all our happy times missed and not a day goes by that I don't think what would Hugh do in my shoe?! You would laugh about it and say live hour by,day by day, night by night and don't worry about tomorrow. Let tomorrow worry about itself. Your really are missed brother and I thank you for being a good friend to me. Memories of us all together, down by the water keeps me focused on the good times we all had together. Hugh was and still is a great friend who's memories are stuck in my head. Hugh and Aubrey kept me from going backwards. Aubrey is still my faithful friend and without her I'd have no one to turn to. I'm dieing myself but Hugh told me not to give up and to keep my head up and never lose hope. Thank you brother for being a friend that has a heart of pure gold. We'll all meet again someday so until then let your spirit watch over us and your blessed family. We all love and miss you. Rest in peace my friend, brother and goofball pal. Love always, your friend Tim Tim.

Surviving Hurricane Ian while throwing things at each other to keep dry, while watching my entire apartment get swept under water and the appliances taking turns swimming out of the kitchen to the yard and back taunting us and laughing about it. 🤔🤔🤔 Nobody else would've been better to be doing that with then my Gabby! You are surely missed. 😞
