I remember meeting Marie when her daughter & Bob first got married. On one visit Marie shared her stuffed pepper recipe with us and it was scrumptios! But my favorite memory was when we were invited to visit Betty, Bob and Marie after a serious house fire just a few days before Christmas. She invited us all for haircuts, FREE. She helped entertain with various ideas and we all had a wonderful Christmas! May God be with you Marie. Carolyn Nuth

I have such fond memories of Marie when she would join my Aunt Betty, Uncle Bob, and Cousin Ali when they visited family in Baltimore and shared vacations with my family. Marie loved her marshmallow donuts from Baltimore! She was so much fun, loved her family, and was an amazing lady! My love, thoughts, and prayers are with Marie's family and friends. She will be missed here on Earth!

My mother was one of the sweetest and kindest people you will ever meet. After a retiring in Baltimore and moving to Fort Myers, she got her barbers license And eventually, we helped her open her own barbershop. She was so proud. I sat at her hospice with my mother for several hours last night and held her hand and we prayed. I told her that the Lord is waiting for her with open arms, and when she was ready, she should go. I guess she did and through my tears I know my mom is now in heaven.
