I was shocked to hear of Carole's passing. I have so many memories of her and Ken from Camp Chautauqua. She was so helpful when I had cancer and traveled into Buffalo. Carole watched my dog Jackson and the Jackson & George. She came by with meals for us. I enjoyed visiting with both Ken & Carole. She was a true friend who loved her family and her friends. We last spoke in October and she was doing ok. I left a voicemail on December 23rd not knowing she has passed. Carol I will miss our conversations through text and on the phone. Rest in peace, you are now with your Love again. Sean and family I am truly sorry for your loss.

I will never forget the wonderful family picnics at the cottage, filled with love and laughter and joy. You and Kenny always went above and beyond making sure everyone had a great time. I will forever miss your warm beautiful smile and hugs. Thank you being the best sister a brother could ever wish for. Love you Sissy.
