Oh where do I start ! This is something I hoped I would never have to do. Bill and I are best friends forever ! He will be greatly missed in more ways than I can say .We have been best friends for 45 years . Bill was a special person we never had a cross word between us ! Oh we would pick at each other that I will always miss ! We were like brothers from different Mothers ! I remember our boys Kenny and Shaun loved going out hunting and fishing with us . We always had a blast . Even today Kenny is like our other son ! He might say different 😞 Bill and I could go fishing and set in the boat for hours and never say a word . Except to pass the bait . Joe Bill dad said that's a good friend that will do that . Both of us had hectic schedules so we understood our quite time . Then there were time's neither one of us couldn't shut up . Well I need to shut up I am not going to say goodbye ! Because you are forever in my heart and my 2 brain cells . Elaine that goes for you and Kenny to ! We love you guys
