In Loving Memory of Robert Brown December 29, 1955 – June 11, 2025

It is with heavy hearts that we announce the passing of Robert Brown of Airedale, England, who left us peacefully on June 11, 2025, at the age of 69. Born on December 29, 1955, Robert was a beloved son, brother, and uncle whose warmth and laughter touched the lives of many.

Robert was a man who found joy in life's simple pleasures. He enjoyed fishing and loved to be by the water, relishing in the tranquility of nature and the thrill of the catch. His love for the beach often found him soaking up the sun, swimming in the ocean, and enjoying quality time with family—his greatest treasure. Travel was a passion for Robert; he loved exploring new places, but his favorite journeys were the one's spent in Florida and when he was back home in England, spending time with his best friend, Naomi and her family. Robert would visit often and stay 2 to 3 months each time. He was happy to be at the pool enjoying his daily swim accompanied by his "little best friend," Aurora.

Robert is survived by his sisters, Sheila and Norma; brother's-in-law, Brain and Norman; nieces, Heather, Lisa, and Claire; and great nieces, Aurora and Lauren.

Family and friends are invited to a visitation in his honor on Wednesday, July 2, 2025, at Fort Myers Memorial Gardens from 1:30 p.m. until a Memorial Service beginning at 2:30 p.m.

Robert, you will be really missed, I still can't believe that you have gone. We loved you so much. I am so sad that we will never see you again. I loved it when you visited us, making you a special cup of coffee was something you always enjoyed and of course a few cups of tea! I will miss your caring, gentle and kind nature. I will also really miss your humour and Yorkshire no-fuss ways, saying it as it is. I loved that about you, a really proud Yorkshireman! Thank you for being such a wonderful friend to Naomi, she cherished the times she spent with you and misses you so much, as we all do. Thank you Robert for everything you have done, we will never forget you xxx

Bob came with us on holidays to Egypt and Goa made lots of happy memories our children loved him as he used to spend hours in the swimming pools and was just a funny man with a huge heart. He often talked about his family in America and loved to go there. Good night god bless Bob sleep well ❤️

It's taken me until today and even now I can't face writing anything It's just so so sad None of us can accept our dear friend Robert has gone and won't ever be coming back through our door with bags of sweets and his huge huge smile and sarcasm For over 20 years I have been his friend he saw both my children grow up to adults He also saw lots of other little children I look after grow up too Some are now 11 that he knew from babies Robert and I met at the gym and over the years have had many cuppas and chats most weeks He's had lots of family meals with us and parties too and trips to the theatre near Xmas He's always been there as a part of our family He's even been out on day trips with the children I look after We will miss Roberts sense of humour the most He was so funny and Yorkshire He didn't mince his words that's for sure The banger we had over the years was the best We were always winding each other up I must say though he did win the biggest bet of all ; my dad joining the gym That was one of the funniest days between us and I still didn't honour the bet when he won Words are pointless really as all the memories are in my head and it's hard to compute them into words on here The only positive of such a sad time is Robert passed with his family at the beach where he loved it the most We all loved you Robert dearly and miss you so so much ❤️❤️❤️❤️

Robert was one of the kindest men you could ever meet. A man with the biggest smile and a love of life. He was a great friend to my family especially Joel and Tamar. Growing up he would regularly come around to visit and always had a real interest in what they did, whether it was Joel and his football or Tamar with her pony. Even when they became adults, he was still a big part of their lives. He will be greatly missed by us all. Rest in peace Robert.

Robert was my mum's best friend for as long as I can remember, and over the years he became like an uncle to me and my brother Joel. He was a constant presence in our lives—turning up every week without fail, always with a big bag of sweets, like Santa. We had a long-running joke between us, as I was always trying out different diets - he'd walk in with his chocolates and say, "Oh well, you won't want this then!" and we'd both laugh at how quickly I'd end up eating them anyway. Robert joined us for Christmas trips to the theatre and was always there on our birthdays to celebrate with us. Robert was endlessly kind, warm, and always cheerful. He took a genuine interest in our lives—always asking how I was getting on with the animals, how work was going, and without fail, checking in on my dog, Remi. His thoughtfulness and constant presence made him so much more than a family friend—Robert truly was part of our family, and we will always carry his love with us. I miss Robert dearly. We all do. All my love, Tamar xxxxx
