Christopher William Cann

NOV 28, 1964 - APR 12, 2026

Christopher William Cann, 61, of Fort Myers, Florida, passed away peacefully on April 12, 2026, at Hope Hospice, surrounded by love.

Born November 28, 1964, in Toms River, New Jersey, Christopher was the beloved son of William and Theresa (Dalia) Cann. He was raised in Roselle, New Jersey, and also spent part of his childhood in Fort Myers, a place that always felt like home. In 1995, he returned to Fort Myers permanently, where he built a life grounded in family, friendship, and dedication to his work.

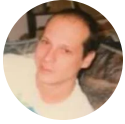

Christopher devoted his professional career to NOVA Engineering, where he proudly served as a Lab Manager, a role he continued to hold until his passing. He was respected for his knowledge, work ethic, and commitment.

A die-hard New York Giants fan, Christopher rarely missed a game and followed his team with unwavering loyalty. He was an avid fisherman, happiest when near the water, and was always well informed and eager to discuss current events. Music was another lifelong passion—he especially loved 1970s and 1980s rock, which could often be heard playing when he was relaxing or spending time with family.

Above all, Christopher was a devoted husband, father, son, brother, and friend.

He is survived by his beloved wife, Marie Lynn Cann; his loving children, William Cann of Emmaus, Pennsylvania; Jessica Cann of Fort Myers, Florida; Christopher Cann of Fort Myers, Florida; and Charles Cann of Fort Myers, Florida; his mother, Theresa Cann of Orlando, Florida; brothers, Michael Cann of New Jersey and Matthew (Meghan) Cann of Florida; and sisters, Barbara (Richard) Vella of Roselle, New Jersey, and Joyce Kelly of Toms River, New Jersey.

He was preceded in death by his father, William Cann; his sister, Deborah Ferenzi; and his brother, Thomas Cann.

Alexis Menard lit a candle in honor of Christopher.

I had the great pleasure of working with Chris at Nova. His kindness, patience, and knowledge meant so much to our team and to everyone who had the privilege of working alongside him. He made a lasting impact through both his work and his generosity of spirit. Chris will be truly missed. My heartfelt condolences go out to his family and loved ones—may they find peace and comfort in the many lives he touched.

Michael Kelly posted:

When I was around 18 years old, I went and visited my family in Florida. Including my Uncle Chris, Aunt Marie and my cousins, who were all so young at the time. I had a lot of fun visiting and at one point Uncle Chris and I started talking about horror movies, and the film The Evil Dead came up. I told him I never saw it and he got all passionate about it. Leaning in all serious like, "You've never seen Evil Dead?!?!" Needless to say that night was the first time I saw it and it all became a memory I'll never forget.
