“ I did not know her much but I was in NJHS with her and she always smiled and was happy. She really lit up the room when she came in.

“ just recently I found out about the passing of Anya. Anya and I had a bit of girl drama until the end of January 2020... She and I talked about it to each other and we were able to start new. Despite our age difference, she was always so sweet to me. very caring towards her sister, always caring about other people. She had an amazing heart. rest in peace Anya.

“ To the family of Anya -
Anya was my student since the 6th grade. She was smart, funny, a joy to be around. I have never known a young person who cared so much about others and wanted so much to make a difference in the world.

I know there are no words that I can share to ease your pain; I just wanted you to know that I loved her, that I am so fortunate that she was a part of my life. I will always remember her.

With the most heartfelt sympathy!
