“ Dear Barb, just tonight I had sent a message to Linda Lehman to inquire about how to contact you and Dale. Linda had just heard from Phil Lehman via Delores about Dale's passing. I am so, so sorry to hear this news. Dale must be experiencing a joyous heavenly reunion with loved ones now. I'm sure he and Dad are trading jokes. You are in my prayers to be comforted as you grieve losing this special man. I happened to see this picture again tonight and wanted to share it. I am in the area and will try to come by on the 28th.

“ Aunt Barb,

I'm so glad we had the chance to talk last Saturday and reminisced about all of the shared

memories for the Hollars and Shumakers. Neither of our families had a lot but we had just enough to do Cubs & White Sox games, Piston games, New Paris Cubs and Ashley Aces basketball games and a lot of other basketball games in Elkhart County. There were times when I thought we were just one family instead of two given all the time we spent together. I don't think during our growing up years that we weren't in New Paris or you guys in Ashley at least once a month. Roger, Gary and I were very fortunate to have Dale and you as part of our lives. Bob and you have our sincerest condolences.

“ Dear Aunt Barb

So sorry to hear about uncle Dale. I have not connected with you for some time. The passing of a love one, from this life to the next is not easy for any family. Our faith in God is one thing that that can help us all.

I have many good memories of family times and reunions. When i visit New Paris I always recall good memories of that small town and the Gray family.

I pray that God would be with you through these times and show you his presents and comfort.
