“ She was always such a sweet person. My mom considered Deb to be her best friend. She wasn't just a friend to my mom. She got to know my sisters and I and became a part of our family. She was at my baby showers and when I had my first child she brought me food she made. She always shared kindness and love. That's how I'll always remember her. I hope to carry on the kindness she put out into this world. You will be missed "grandma Deb"!
