“ Anita, Harry was the first boy to ever ask me to a school dance. He was a great guy. He and Denny and their buddies were just so much fun to be with growing up. Both are missed but back together again. Both are appreciated for their military service as well.

“ I met Denny in 1990 when I was a new-hire at McDonnell-Douglas in St. Louis. I loved his sense of humor and we bonded over our mutual love of all things Corvette. My condolences to Adair and Denny's families.

“ Gary & Susan are so sorry to hear this news  
We were great friends growing up and "kwee doo" was the special word. Den was in our wedding. But he switched jobs as he moved up the ladder and we did a Naval career & we lost touch. Finally got to see him about 4 1/2 years ago. Great fun. Guess we'll have to wait until we see him in heaven.
