

Gregory Bruce King

January 3, 1958 - May 16, 2020

Gregory Bruce King of North Ft. Myers, Florida and formerly of Lansing, Michigan died on May 16, 2020. He was 62 years old.

Greg was born on January 3, 1958 to Patricia King (Wright) and Bruce King. His mom always referred to him as “the kid with the stars in his eyes”. Greg graduated Waverly High School in 1976. He joined the Navy and was stationed in many areas of the world. He loved our country and served proudly as a Chief Petty Officer until his retirement. Greg had an adventurous and fearless spirit who loved nature and fishing. He was a kind soul who would help anyone out and was a talented writer, poet and guitar player. He could tell a story better than anyone and his sense of humor was unmatched – he was a “funny guy” and will be greatly missed.

Greg is survived by his son, Benjamin of Halifax, Nova Scotia, Stepmom Jeanne King (Weidman, MI), Brothers Mark King of Lansing, MI, Dean King (Terry Leshuk) of Saugatuck, MI, Matthew King (Ruth Zarka) of Lansing, Mike Hill (Sue) of Holland, MI, Pat Hill (Susan) of Pierson, MI and sister Lori King-Clyde (David) of Lansing, MI, along with several nieces and nephews.

Due to current circumstances, a memorial will take place at a later date. Please consider planting a tree, making a donation to your local Humane Society or simply taking the time to walk in the woods or go fishing in Greg’s memory.

“ I thought a lot about Greg today. He gave me the most amazing gift ever. My smart, handsome and loving son. I hope you look over him now as his angel Greg, and that you are at peace.

“ I have memories of Greg thru different ages and stages. He was always kind and often funny. My favorite memory is of Greg and Mike (Hill) perched on the neighbors split rail fence one night singing “Lordy wontcha buy me a Mercedes Benz”. To all the members of his family, I’m so very sorry. You all will be in my prayers for comfort and peace.

“ Greg was a really special person. He always had a slight smile that said “Don’t worry; I’ve got this”. He grew up in a family in Lansing where each one was a beautiful person with a beautiful peace about them. I was not a Christian back then, but Greg’s family gave me a good impression of Christianity.

I remember when I was a teenager, I brought a girl friend over to their house, and they let me take their snowmobile and take her for a long ride in the park behind their house. That really let me make a good impression on her, for sure. That was just one example of what a loving family Greg was a member of, and how they would do anything for you.

Greg’s mother Pat died at an early age, and I am sure that was hard on Greg. It is hard to understand why some things happen in this life, and that is one of them. But I look forward to the day when they are all reunited, with healthy bodies that won’t get sick and die ever again.

I am really thankful that I had the chance to know Greg. Yes, he was a really special person.
