“ Jack was a great host to my husband Dave and I. Put us up and fed us great meals when we visited from Minnesota where Carol and I were best friends before she moved to Florida.

“ I knew Jack most of my life. As a child, Jack and my dad, Bob Ellett were colleagues and friends. As an adult we were both in the insurance business and worked together for a few years but always stayed in touch with each other. Once you were Jacks friend, you were friends for life. We had spoken on the phone recently and he said the mangos were looking good. Every season he came by with mangos and avocados from his trees. My husband Gary, who also worked with Jack during his insurance career and I will miss him. He was a good friend, a good man. Condolences to his family. Lori Roth
