“ Loretta always looked great sitting in the center chair of the Friday afternoon GCMC info desk. The volunteer info desk on Friday afternoons just won't be the same! Such a great lady! Heaven has a new angel.

“ I will miss seeing Loretta on Fridays at the hospital and at church on Sundays. She was such a beautiful lady, always smiling. She is an angel in heaven now.

“ I was extremely shocked & deeply saddened to read Loretta's passing. She was a delight, classy, kind, spiritual, dedicated & honorable. We had many fond chats about life, her living @ CC, her cats, her family & playing bingo. The special part of knowing Loretta was that she totally reminded me of my mother in so many ways. She was the same age of my mother when she passed away in October five years ago. The journey of healing after losing one's mother is a difficult, long & emotional one. Please know that she was admired by many @ Gulf Coast & will deeply be missed.

“ Loretta and I have been volunteers at Gulf Coast hospital for many years. Before that she volunteered at SW Regional. We had a great Friday afternoon crew, which will not be the same. RIP friend. Marlene Dugan
